READ THIS

It May Save Your Life

The object of this advertisement is to instruct people in the early symptoms of tuberculosis or consumption, so that they will go to physicians before it is too late.

SUSPICIOUS SYMPTOMS

Cough or expectoration, even if only a little in the morning, which you hardly notice, if continued over two months.

Frequent "Bronchial," "Grippe" or Fever attacks very suspicious.

Blood Spitting. If blood is coughed up the cause is tuberculosis nine times in ten.

Pleurisy. Caused by tuberculosis about seven times in ten.

Night Sweats. Very suspicious.

Loss of weight and strength very suspicious, especially if there is slight cough.

If any of these symptoms are present, no matter how well you look or feel cut out this ad., take it to your physician and explain your case. You can be cured if you take it in time. Thousands of patients who have been treated in the incipient stage are well today.

WORK WANTED

"Has anybody in Honolulu an odd job or two which a man with a family in destitute circumstances could undertake to assist him financially? If so, ring up 2253, the Associated Charities, and give us a chance to place one of our needy men in the position, even if it is only a day's work. At a moment's notice we can each day place in the neighborhood of from 25 to 30 men, while we have on our files many more who are in need of work, and with whom we are in touch." W. SPENCER BOWEN, Manager of the Associated Charities.

He—I never saw anything like this tide. Here I've been pulling steadily for 10 minutes and we don't seem to have moved a foot. She (after a pause)—Oh, Mr. Stoker, I've just thought of something! The anchor fell overboard a short time ago, and I forgot to tell you. Do you suppose it could have caught on something?
